

The Rhode Island Irish Famine Memorial

Help Celebrate Your Heritage

Don't miss this opportunity to create an everlasting tribute to your family name, ancestors or loved ones and ensure the perpetual maintenance of this beautiful memorial. Inscribe a name on a brick or a granite flagstone at the Rhode Island Irish Famine Memorial located along the downtown Providence River Walk.

The RI Irish Famine Memorial commemorates the struggles and triumphs of our Irish immigrant ancestors. A larger-than-life bronze sculpture of three Irish figures elevated on a stone base portrays the despair of the past combined with an enduring sense of optimism, thus reflecting the strength of our ancestors' immigration and their achievements in America. Extending from the statue are two walkways bordered by inscribed donor bricks and granite flagstones. The walkways lead to a semicircle of bricks facing the memorial wall, which tells the history of the "Great Famine" in narration and imagery. The wall features vignettes of Irish life at the time of the Hunger, traces the immigrants' escape to a new world, and recounts their struggle to overcome adversity in building a new home for themselves and their descendants.

The Rhode Island Irish Famine Memorial Committee asks for your support to guarantee that the Memorial will remain well-preserved for many future generations of visitors to be informed and inspired by this timeless human story. We invite you to make a tax-deductible contribution in purchasing one or more **bricks** or **flagstones** to be included among those being remembered at the RI Irish Famine Memorial. Add your name or the name of any victim, survivor, or descendant you wish to honor.

You may use up to three lines on a brick or four lines on a flagstone, with twenty spaces per line for each inscription (this includes letters, spaces and punctuation marks). *Please print.*
